SAFETY
SCIENTIFIC CONTINUITY AND PRIORITIES
PROGRESSIVITY
CONFORMITY

An organisation to respect sanitary instructions

To maximize teleworking

To experiment and test

A progressive and controlled « montée en puissance »

Teams present upon the following criteria:

scientific, strategic, human, health and sanitary, practical

Phase 0
Reprise
May 4th - 7th

Phase 1
May 11th - June 7th
20% => 30%

Phase 2
June 8th - TBD
50%

Phase 3
TBD
75%

June 22nd / 29th ?

PHASE 1: KEY FIGURES

THANK YOU WELL DONE !

170 persons simultaneously => Average rate 30%

Total > 333 => 60% Back to *Imagine*

Imagine charter: 508 signatures! ... few missing yet

PM SPEECH: WHAT WE MUST REMEMBER

Freedom becomes the rule

But the virus is still there: request an extreme rigor

- Group limited to 10 people
- Teleworking
- Vigilance with vulnerable persons
- Mask to wear
- Respect barrier gestures and physical distances

- Phase 2, => June 22nd for all Departments
- A 2nd wave is still a risk to be considered

ARE YOU READY FOR PHASE 2?

ESSENTIAL TO RETURN ON SITE

I take care of myself
I take care of others
I take care of *Imagine*

Charter
signed

Respect of the instructions
and barrier gestures

INDIVIDUAL AND COLLECTIVE
COMMITMENT

REMEMBER: A DEDICATED WEBLINK

Plan de reprise d'activité

Je prends soin de moi, je prends soin des autres, Je prends soin d'Imagine

A compter du 11 mai, Imagine a déployé son plan de reprise de l'activité (PRA). Ce plan se doit d'être évolutif autant que la situation liée à la pandémie, et en lien avec l'évolution des réflexions et consignes gouvernementales, ainsi que de celles de nos tutelles. retrouver sur cette page toutes les dernières informations.

UNE CHARTRE DE REPRISE D'ACTIVITÉ D'ACTIVITÉ

CONSIGNES LAVAGE DE MAINS

Cette charte repose sur sur 4 principes directeurs :

- La **sécurité**, de tous, à chaque instant
- La **continuité** des travaux de recherche, en définissant des **priorités**
- La **conformité** avec les consignes gouvernementales, universitaires, des établissements de recherche, en coordination avec notre campus hospitalier
- La **progressivité** et l'**adaptation**

PHASE 2: KEY FIGURES

Target occupancy rate: 50% (+ COVID)

Duration: June 22nd or 29th (2020...)

PHASE 2: KEY FIGURES

Target occupancy rate: 50% (+ COVID) equiv. 80% of usual attendance

Duration: June 22nd or 29th

TOTAL	Nb pax max présents/même temps	LABO	PLATEFORMES	SUPPORT	PRESTATAIRES	INDUSTRIELS
PHASE 0	63	29	16	10	8	-
PHASE 1	167	100	34	18	13	2
PHASE 2	271	187	35	28	16	5

	SS-SOL	RDC Imagine	etage 1 Imagine	etage 2	etage 3	etage 4	etage 5	TOTAL
PHASE 0	8	11	5	6	14	10	8	63
PHASE 1	18	19	7	24	29	40	30	167
PHASE 2	19	25	7	46	52	66	56	271

PHASE 1 => 2 - MAIN PRINCIPLES

NO CHANGE

- Telework
- Mask
- Barrier gesture
- Physical distance
- Extended working time
- Weekly work plan
- Circulation fluxes
- Visio recommended
- Cleaning & aeration
- Timetable per floor
- Lunch facilities

CHANGES

- Fridges & microwaves in service
- Showers available
- Meeting rooms open as working space
- Selected Guest visits (< 10)

- Defense of theses
- Priority Recruiting process on

PHASE 2: INSTRUCTIONS & RULES

No major change .. But the doctrine: « Not to contain anymore, but to avoid the risk of cluster »

- Telework, barrier gesture, mask, physical distance: onward
- Public transportation under Specific Attestation
- Extended working time schedules: 6.30am-9.30pm + Saturdays + Weekly work plans
- Ratios :
 - 1 per double bench L1 (staggered) – 2 per L2 module – 2 per L3
 - 1 per individual office / 4m² in shared offices / 2 per student office
- Cleaning desks & benches after use + Aeration of shared rooms
- Circulation rules and controlled fluxes – Atrium reserved to caregivers
- Suspension of ODM
- Sport activities not yet allowed / National guidelines: no sport hall, no team sport => June 22nd?
- Parking facilities
- Psychological support
- Lunch : timetable per floor & 2m of distance
- Lunch facilities with « Delicieux Kitchen » online
- L2 => Increase capacity blocked by EPI + centrifuge cradles + Ratios in confined space = instructions

L2 INSTRUCTIONS

GENERAL RULES FOR ALL L2

2 persons max, 1m50, personal belongings forbidden

Mask, 2 pairs of gloves, safety glasses, lab gown, overshoes

L2 HUMAN SPECIMENS (COVID & CO)

- FFP2 Masks

For COVID sample + Human non tested sample + when I share a L2 with a colleague working on a COVID or Human sample

SPECIFIC DETAILED INSTRUCTIONS

#62-67

*TRAINING
SESSIONS
NEXT WEEK*

L2 CELL LINES

- Surgical masks

When working in a L2 module fully dedicated at that time to animal cells

Masks & EPI available on request to the Scientific Warehouse

Rise of capacity under rapid instruction

3 conditions : EPI stocks + Hermetic tops + People/square meter

PHASE 2 CHANGES: WHAT & HOW ?

Opening :

- Fridges & microwaves
- Showers
- Meeting rooms
- Access to Guests

- Defense of theses
- Recruiting

New training sessions operated by Anne-Marie Laurencine

PHASE 2 CHANGES : WHAT & HOW ?

- **Fridges** Plastic Box/Bag with name / Daily use / Cleaning before and after use
- **Microwaves** Cleaning before and after use
- **Remember Crockery** From home & washing @Home
- **Showers** Cleaning before and after use
- **Meeting room** Open to be used as working space / Cleaning and aered after use / Physical distance / Visio recommended
- **Access to guests** Mail to PRA with name(s), date and reason of visit / opening with the watchman (*Numidie*) / presentation of the charter (available on welcome desk) / *Imagine* Instructions to be respected (mask, distances, ..)
- **Defense of theses** Max 10 persons / Room 330 dedicated / Guest access: idem (charter, mail..)
- **Priority Recruiting process restart**

PHASE 2

- Fridges
- Microwaves
- Crockery
- Showers
- Meeting room
- Guests

MUST BE A COLLECTIVE SUCCESS

THE RELAXATION PLAN (PRA) @ *IMAGINE*

SAFETY / SCIENTIFIC CONTINUITY AND PRIORITIES / PROGRESSIVITY / CONFORMITY

A charter and instructions	A team work organization: scientific priorities & personal constraints	A strategical adaptation: Institute priorities
A safe staff	A collective organization	A social support
A secured building	Several Phases (uncertain terms)	A communication

An individual & collective commitment
