

I DON'T HAVE SYMPTOMS OF COVID-19 BUT I AM AT RISK CONTACT: WHAT CAN I DO?

I have been informed that I am a contact person by my doctor, the Assurance Maladie or the ARS, or that I am part of a cluster

I ISOLATE MYSELF IMMEDIATELY

I inform the Institute at contact-covid19@institutimagine.org, I transmit the names of the people I have been in contact with in the previous 48 hours.

I DO A RT-PCR TEST IMMEDIATELY

I continue the isolation until the result

If any symptoms appear, I notify my doctor, the Institute, and follow the recommendations "I have symptoms of Covid-19".

IT IS NEGATIVE

In case of fever or respiratory difficulties, I isolate myself during 10 other days.

I can return to *Imagine*
