

***Imagine* 4th year PhD**

Call for applications 2026/2027

Imagine 4th year PhD

Call for applications 2026/2027

Institut *Imagine* launches its program dedicated to financing additional time for the PhD students, at the end of the initial 3-year term.

The application file will include:

- the number of additional months to be funded (3 to 12);
- the name of the laboratory and of the thesis director;
- the CV of the student;
- the summary of the thesis project and the additional proposed program with a precise planning by trimester, up to the thesis defense, demonstrating the feasibility of the additional program in due time;
- the justification of an application for funding from a charity organization (FRM, Ligue, ARC, AFM...), or any other program supporting a 4th year PhD (NB : Please note that applications for prizes will not be accepted);
- a letter from the supervisor justifying the financing of additional time;
- third-year evaluation of the *Comité de Suivi Individuel (CSI) de thèse* of the Doctoral School, including the CSI assessment validating the student's application for the fourth year.

There will be only one call for the academic year 2026/2027.

If you have any questions about this call, please write to: callapplication@institutimagine.org

Please submit your application to the following link by June 8, 2026:

<https://form.jotform.com/253622258219357>

Research work carried out within the framework of this program must include the following mention: « *This work was supported by State funding from the Agence Nationale de la Recherche under “Investissements d’avenir” program integrated to the France 2030 programme, with the reference ANR-10-IAHU-01* »
